INSPIRATION

灵感

L'eleganza della serie Nuage nasce dalle pietre millenarie della Nuova Aquitania, nel cuore del sud-ovest francese. Questo calcare prezioso, custode di secoli di storia, ha abbellito antichi monumenti e luoghi sacri, testimone silenzioso di un passato ricco di fascino.

Oggi, grazie ad un design sapiente e raffinato, quella stessa bellezza antica si risveglia, trasformandosi in un'espressione contemporanea di stile e armonia. Nuage porta con sé l'anima delle pietre francesi, capace di infondere agli ambienti moderni una luce calda e un'eleganza senza tempo, dove la storia diventa arte vivente e ogni superficie racconta una storia.
