INSPIRATION

灵感

Ispirazione e Design.

Ispirata all'eleganza senza tempo delle pietre storiche di Piazza Navona, questa collezione celebra la bellezza e la cultura di Roma attraverso materiali e atmosfere autentiche. Il design moderno combina colorazioni neutre con una texture ricca, evocando il fascino culturale e storico del cuore della città eterna.

Ogni piastrella della collezione *NAVONA* diventa così strumento per trasformare gli ambienti con un'eleganza sofisticata, portando il carattere storico e la maestosità di Piazza Navona direttamente negli spazi abitativi moderni.
