INSPIRATION

灵感

La forza della natura con un'estetica contemporanea.

Ispirata alla preziosa pietra Olivia Brown proveniente dalla Turchia, ogni piastrella evoca le suggestioni materiche: ampie venature che si muovono come onde, linee delicate e cristalli di calcare che scintillano come riflessi di luce sull'acqua.

Questa collezione esprime coraggio e determinazione, un perfetto equilibrio tra design audace e prestazioni eccellenti.
