A modern shower stall with dark, veined marble tiles. A black rainfall showerhead is mounted on the wall, with water spraying downwards. A handheld shower wand is attached to a black control panel on the wall. The shower is framed by dark wood panels, and a wooden bench is visible on the left side. The overall aesthetic is minimalist and luxurious.

INSPIRATION

灵感

Una voce antica che risuona nel presente.

La serie nasce dall'ispirazione del calcare romano, reinterpretato con un linguaggio visivo potente e non convenzionale. Texture eclettiche, contrasti marcati: ogni superficie diventa una dichiarazione di stile, carica di personalità e forza espressiva.

Le variazioni materiche scorrono come pennellate monumentali, evocando una sinfonia discreta che si disperde nella quotidianità, tra luci, ombre e suggestioni visive, portando un senso di lusso vibrante, unico e contemporaneo.
